Tigers Lose Hard Fought Game 26 - 6

David Stokes showed every one the proper way to score a touchdown Friday night on the opening kickoff but the Enterprise Wildcats were the ones that followed his example. Elba's only touchdown was that spectacular run by Stokes when he received the opening kick from the Enterprise Wildcats, and raced 81 yards behind expert blocking to start a fast scoring game. Enterprise won by a score of 26-6 due to the playing of Weigand, Cobb and Cocks.

The Elba Tigers scored 7 first downs against 22 for Enterprise. Elba's rushing yardage was 50 against 260 by Enterprise and 31 yards passing compared to Enterprise's 90. Elba's punting continued to be good with four punts averaging 36 yards again this week.

The ballgame was a hard hitting affair from the start and the injuries suffered by both teams verify that. Eddie Bryan will not be playing for the Tigers this week due to a concussion he suffered sometime in the first quarter. Enterprise

suffered several injuries including backfield star, Tommy Weigand, who will be out for some time with an injured knee. Enterprise remains undefeated and the Elba Tigers are tied 2-2 for the season having lost to Opp and Enterprise after defeating Brantley and Laverne. Elba journeys to Florida this Friday to meet the Florida Wildcats who are seeking their first win of the season. Game time is 7:30.

Zion Chapel To Play Blue Springs Tonight

The Zion Chapel football team will play host to Blue Springs tonight at 7:30. This game was scheduled for Thursday night due to the many requests of Elba citizens that wanted to see Zion Chapel play but just couldn't miss an Elba game on Friday night.

Jr. College Chorus Will Sing At Clubs

A 60-voice chorus at Enterprise State Junior College will be available for public performance this fall.

Director Robert Bicknell said the group already had received several invitations to entertain at club meetings and would welcome others. They also have offered to sing at high school assembly programs.

Bicknell said the chorus showed even better promise than last year, when 35 students participated. An entirely new repertoire has been developed. Students practice on Tuesdays and Thursdays and receive one quarter hour's credit.

Members from Elba are Marilyn Arnold, Sandra Jane Head, Janice Holley, Earnestine Kelley and Bernese Smith.

Curtis Community To Get Water System

A loan and grant request has been made to the Farmers' Home Administration for \$132,000 to finance a central water system for 100 rural families in the Curtis Community.

Through the unselfish cooperation of the citizens of the Curtis Community, the Curtis Water and Fire Protection Authority has been incorporated under Act 107 of the Special Session of the Alabama Legislature of 1965. This incorporation was accomplished through the Co-operation of the Coffee County Commissioners' Court. The Commissioners have also helped by making all communities in Coffee County eligible for grant assistance on such projects for rural community water and sewage systems by participating in a comprehensive area plan for the entire county.

Elected to the board of directors for the Corporation were: Chairman, Joe Meacham; Vice Chairman, Cleo Griffin; and Secretary-Treasurer, John B. Johnson.

The proposed project will consist of a well, pump tank and approximately 13 miles of distribution lines. The proposed distribution lines will run along U.S. Highway 84 for about 7 miles, beginning about 3 miles west of Elba and running to within a half mile of the Covington County line. The remainder of the system will be

along intersecting roads within the above described area.

The residents to be served by the system are most enthusiastic. They will have the convenience of a dependable and sanitary water supply by uniting in this cooperative effort to take advantage of this service offered to rural people by the Farmers' Home Administration. It is the combined feeling of all those cooperating in this project that in addition to the convenience, the value of their land along the system will be increased.

Similar systems have been financed by the Farmers' Home Administration for the Mt. Pleasant and Damascus Communities in Coffee County and for River Falls in Covington County.

The loan and grant request for this water system was processed through the office of Mr. Bill Ray, local representative of the Farmers' Home Administration, at Enterprise, Alabama.

Brenda Roberts Named Miss New Brockton

Miss New Brockton, Brenda Roberts, received her title and crown in activities last Thursday night in New Brockton. She is the daughter of Mr. and Mrs. Troyce Landon and is a senior at New Brockton High. Runners-up were Becky Sawyer and Jerlene Thidol.

Little Miss New Brockton is seven year old Nancy Jones, daughter of Mr. and Mrs. Jimmy Lee Jones of RFD 1, New Brockton. Runners-up in the Little Miss contest were Andrea Broxton and Frieda Wilkins.

The event was sponsored by the Exchange Club of New Brockton. L. F. Inman was Master of Ceremonies.

Elba Teen Club Elects Officers

The Elba Teen Club has elected new officers for the coming year. They are Billy Fank, president; Debbie Easters, vice president; Patsy Bruce, secretary - Treasurer; Debbie Lindsey, reporter; Janet Daniels, Chaperson chairman.

The music for the dance of October 8 will be furnished by The Sandman.

Teen Club officers urge the parents to come by and see just what is going on at any time during the dances each week.

Adult Classes Begin In County

Classes for adults, grades 1-8, will open soon at the following county schools: Goodman, Zion Chapel, New Hope, Kingston and Warren Smith. Sessions will be two nights a week, 2 hours each, according to County Superintendent, C. E. Peacock.

If you have not completed the 8th grade, please contact the principal of the above schools for possible enrollment.

Legion To Meet Tonight

Culver Post 42 of the American Legion will hold its regular monthly meeting tonight (Thursday) in the National Guard Armory. A fish supper is planned and all members of the Legion and the Ladies Auxiliary, along with their families, are urged to attend.

- PHOTO BY THE ELBA CLIPPER

Pat Crawley Named Miss Elba For 66 - 67

Miss Pat Crawley, daughter of Mr. and Mrs. E. D. Crawley of Montgomery and granddaughter of Mr. and Mrs. J. L. Varnadore of Elba, was crowned Miss Elba last Thursday night in activities sponsored by the Elba Lions Club. The ladies were judged before a packed house that applauded for

all contestants like they should win.

The lovely new Miss Elba is brown-eyed, brown-haired, five feet six and one-half inches tall, 18 years old and a senior at Elba High.

Miss Crawley will represent Elba in the Peanut Festival later this month.

well, daughter of Mr. and Mrs. Johnny Boswell and second runner-up was Miss Linda Coon, daughter of Mr. and Mrs. S. W. Coon. Both are students at Elba High School.

Miss Crawley will represent Elba in the Peanut Festival later this month.

Covington Co-op Plans New Office In Andy

Construction work on new headquarters facilities for Covington Electric Cooperative was begun last week by Waller Construction Company.

The Andalusia building firm, low bidder when construction quotations were received by the Cooperative late in August, is erecting the facilities on an 8-1/2 acre site near Sanford, on U. S. Highway 84 between Andalusia and Opp.

Several months will be required for completion of the construction work.

The facilities will include an office building of slightly over 10,000 square feet, a warehouse of some 5,200 square feet, and a vehicle parking area.

In addition to office space, a large auditorium is planned which will be utilized by the Cooperative for demonstration purposes, and also made

available to civic, church, and community groups for meetings.

The modern facilities were designed by Southern Engineering Company consulting architectural and engineering firm of Atlanta, Georgia, which will also supervise construction.

Covington Electric serves some 10,350 consumers, and operates over 1,750 miles of power lines and related facilities in Covington, Coffee, Crenshaw and Geneva counties.

Construction of new headquarters facilities by Covington Electric is being undertaken in connection with plans, announced a few months ago, for future separation of operations of Covington and Alabama Electric Cooperatives.

Presently, the two cooperatives share joint headquarters on U.S. Highway 29 North, in Andalusia.

Brunson To Speak At Rotary Club

Paul R. Brunson, Regional Director of the Small Business Administration, Birmingham, will be guest speaker at the Rotary Club in Elba on Monday, October 10, according to Harold Deal, president of the Elba Rotary Club.

Brunson will discuss the overall programs of the Small Business Administration including the regular business loan program and the community loan plan.

Whitewater Set For Sunday Homecoming

Annual Homecoming will be held at Whitewater Baptist Church this Sunday, October 9, dinner will be served following the morning services and the afternoon services will begin about 3:00 with the Reverend Charles Barker as guest speaker.

- PHOTO BY THE ELBA CLIPPER

Susie Powell Crowned Little Miss

Little Miss Elba for the coming year is Susie Powell, daughter of Coach and Mrs. Roland Powell of Elba. Susie is in the

second grade and will represent Elba in the Little Miss Peanut contest later this month in Do-

than. Runners-up in the Little Miss contest were Jenny Hud-

son, daughter of Mr. and Mrs. Durrell Hudson and Cynthia Donaldson, daughter of Mr. and Mrs. Buck Donaldson.

POOR ORIGINAL

Jus' Ramblin'

By
LUCILE K.
WOODMAN
MRAE

SOME HAVE ASKED ME "Why are you against Wallace?" Perhaps I should make some explanation. I am not against Wallace, but I am not for Wallace, either. I am not a dyed-in-the-wool Democrat, nor am I a Republican. I guess I am what you would call an independent.

I have several reasons for this. I did support George Wallace four years ago and did something I very seldom do and allowed both my newspapers to support him editorially. I have been for many of the things he did during the period he has been governor, and again said so in this column. I have also been against some of the things he has supported and I have also told you about that. I supported his attempt to allow the people to vote on whether to change the Alabama Constitution to allow him to succeed himself, but when he failed to get the Legislature to go along with him on it and he then made his stand to refuse to abide by the Alabama Constitution, something he had pretended to follow, I could not go along with him on that. I probably could support his wife for Governor, if she was to be the governor, but we are plainly told that she is only a stand-in and that George Wallace will be governor, though according to his recent speeches he is running for President and apparently using the governor's office and the people of Alabama as a stepping stone.

I can't go along with him on his third party activity, either. So I can't support George Wallace and I can't support Lurleen Wallace because she is only a tool being used for the ambition of someone else. She is a very nice lady and I really like her very much. Or rather I have on the few occasions I have had the privilege of being in her presence, she is a most unusual person and it is my opinion that she would probably make a better governor than her husband. But she is not to be the governor except in name only. Something like this business of being "married in name only."

Things have become so muddy in the Wallace administration that I don't know now if I could have supported him for governor to succeed himself. If the people had voted to make that change in the Alabama Constitution, but I do not say that I would not have supported him, either.

I can't support George Wallace in breaking the Alabama Constitution any more than I have supported the federal government in breaking the Constitution. I can't see where there is any difference in George Wallace breaking our Constitution and in Lyndon B. Johnson breaking the Constitution. If it is wrong for one of them, it is wrong for both of them. Up until now Martin Luther King is the only one to say "I'll abide by the laws I like and those I do not like, or something to that effect." I will not abide by it. He is wrong but just because he is a member of the Negro race does not make him any more wrong than for an important

recreationist will be content to enjoy, but not abuse the natural assets placed at their disposal. Courtesy, common sense, care and willingness to abide by the rules - don't be a game hog or a careless camper - will insure good hunting and a pleasant time for all.

AMENDMENTS to the minimum wage law will make themselves felt in higher wages, not only for the millions directly covered by the law, but in the resulting escalation effects on all wages and salaries. People should remember there are two sides to the coin when wages are increased - costs and prices. Increased wages mean higher production costs, and

recreationists will be content to enjoy, but not abuse the natural assets placed at their disposal. Courtesy, common sense, care and willingness to abide by the rules - don't be a game hog or a careless camper - will insure good hunting and a pleasant time for all.

So the next time you enter a store and find an item priced higher, do not blame the man behind the counter. Inflation is his enemy too.

Peach trees which have been coming out near the ground level likely are infested with peach tree borers. So downed birds can be

found easily. Many birds that will blend with natural surroundings, Camouflaged hunting clothes are not necessary, but they increase chances for success.

Kenamer adds that it is good to wear clothing that blends with surroundings.

With dove shooters now affield, Extension Wildlife Specialist Earl P. Kenamer offers some hunting tips.

"First, find where doves are feeding," suggests the specialist. "You'll probably find them around fields of millet, soybeans, peanuts, corn or other small grains."

"After locating a good field, determine where most of the doves are flying and pick a clear place to stay on the ground."

State Director Hugh J. Caldwell, Jr. said this week that required material and applications for the November 18-19 Selective Service College Qualification Test may now be obtained from all Alabama Local Boards.

Caldwell stressed that applications for the test must be postmarked no later than Friday, October 21, 1966.

Eligible for the Selective Service College Qualification Test are applicants who, on the testing date, are registered with Selective Service, and who intend to request deferment as a student, and who have not previously taken the test.

State Director Caldwell said that registrants who had applied for one of the previous four College Qualification Tests, but who had not actually taken it, are eligible to participate in the November 18-19 while those scoring 80 or above, will be eligible for consideration for graduate or professional study.

All information on the examinations may be obtained at the nearest local board. Caldwell again emphasized that college students making 70 or above on the College Qualification Test will be considered for deferment in regular college study.

YOUR AUTO INSURANCE comes up for renewal - it will pay you more to see your local Farm Bureau Insurance Agent - the man who gets down to brass tacks to serve you better. Better give him a call NOW!

Nothing is more disgusting than to break open a poor quality egg at breakfast time. This is certainly not the way to start a day. In order to have eggs at top quality, they should be clean, cool and covered.

When eggs are not refrigerated, the quality drops rapidly. Eggs need to be cleaned, wiped them with a damp cloth. When eggs are washed, a protective covering is removed. Eggs should be covered in the refrigerator because if they are not, they will absorb odors.

With cooler weather approaching, dried peas and beans will possibly be the menu. If you cook your dried peas or beans in a pressure cooker, remember that slow starting and slow cooling is important. Too fast a rise and fall in pressure may make the beans break and lose shape. Do not fill the cooker over one-third full including beans and water.

PERMANENT PRESS CLOTHING Here is good news for homemakers who need to alter permanent press clothing. A special chemical spray has recently been developed to remove permanent press creases so that new ones can be placed where you want them. That altered hem, seam, or cuff will then be just as durable to wear and wash as the original.

FLOOR CARE Recently when the Extension Homemakers group met at the home of Mrs. Jack Smith the group talked about floor care. Mrs. Smith told us how she kept her waxed floors.

CARD OF THANKS We would like to express our thanks personally to each individual who rendered service, along with compassionate love and concern, during the death of Mr. Oliver Jernigan, but since that would be impossible, we the family wish to take this means of expressing our heartfelt appreciation to you for your every kindness and prayers.

May God bless each of you.

The Jernigan Family 10-6-11c

CARD OF THANKS We wish to thank everyone for their kindness and sympathy shown to us during our recent bereavement in the loss of our dear beloved Elaine Galtmore Johnson.

The Families of Elaine Johnson 10-6-11pd

climatological probability of a killing freeze at crop levels will increase sharply during October reaching 20 percent over the northern sections by mid month and over southern section by the end of the month.

Rainfall during October 1 expected to average between 3.00 and 6.00 inches occurring as showers on 5 to 7 days during the period with 2 or 3 periods of general rains.

Sunshine during the next 30 days is expected to average about 60 percent of possible with 2 or 3 periods of extended cloudiness.

Soil temperatures will drop sharply during October reaching averages under four inches of bare soil, between 60 and 68 degrees by the end of the month.

Survivors include: three sons, E. E. Freeman, Montgomery, W. L. Freeman, Warm Springs, Georgia, and H. L. Freeman, Elba; two daughters, Mrs. W. R. Wilson, Roonoke, and Mrs. Charlie McGee, New Brockton; and eight grandchildren.

William D. Rushing of Elba, age 59, died suddenly in The Elba General Hospital on September 28, 1966. He was born September 7, 1907, in Pensacola, Florida.

Graveside services were held September 29 from Elba Evergreen Cemetery with the Reverend Dr. Charles Graham and Minister Raymond Elliott officiating and Hayes Funeral Home of Elba directing.

Mr. Rushing is survived by his sister, Miss Louise Liebert, Elba.

One basic rule in laundering wool or wool blends is to use lukewarm soap or detergent and rinse water. Another is to avoid rubbing and agitation.

The Troy Red Wave defense perked up Saturday night, October 1, and held an undefeated Arkansas State Teachers' College scoreless until late in the fourth quarter.

The Red Waves beat the Bears 41 to 7. Defensive backfield and linebacker coach, Phillip Cress, told reporters, "The defense did an extremely good job. They got only 54 yards in 8 passes on us all night."

In the game, Red Wave touchdowns came early. Four scores came on passes from quarterback Sim Byrd to halfback Danny Grant for nine yards, two yards and 25 yards.

Byrd completed 20 of 27 passes for 262 yards, while Grant picked off ten of them for 114 yards.

The Red Wave will play Delta State College in Ozark at Matthews Stadium on Saturday night, October 8. Advance tickets can be purchased from any member of the Ozark Jaycees.

Byrd completed 20 of 27 passes for 262 yards, while Grant picked off ten of them for 114 yards.

College Youth Take

Test Next Month

State Director Hugh J. Caldwell, Jr. said this week that required material and applications for the November 18-19 Selective Service College Qualification Test may now be obtained from all Alabama Local Boards.

Caldwell stressed that applications for the test must be postmarked no later than Friday, October 21, 1966.

Eligible for the Selective Service College Qualification Test are applicants who, on the testing date, are registered with Selective Service, and who intend to request deferment as a student, and who have not previously taken the test.

State Director Caldwell said that registrants who had applied for one of the previous four College Qualification Tests, but who had not actually taken it, are eligible to participate in the November 18-19 while those scoring 80 or above, will be eligible for consideration for graduate or professional study.

All information on the examinations may be obtained at the nearest local board. Caldwell again emphasized that college students making 70 or above on the College Qualification Test will be considered for deferment in regular college study.

YOUR AUTO INSURANCE comes up for renewal - it will pay you more to see your local Farm Bureau Insurance Agent - the man who gets down to brass tacks to serve you better. Better give him a call NOW!

Nothing is more disgusting than to break open a poor quality egg at breakfast time. This is certainly not the way to start a day. In order to have eggs at top quality, they should be clean, cool and covered.

When eggs are not refrigerated, the quality drops rapidly. Eggs need to be cleaned, wiped them with a damp cloth. When eggs are washed, a protective covering is removed. Eggs should be covered in the refrigerator because if they are not, they will absorb odors.

With cooler weather approaching, dried peas and beans will possibly be the menu. If you cook your dried peas or beans in a pressure cooker, remember that slow starting and slow cooling is important. Too fast a rise and fall in pressure may make the beans break and lose shape. Do not fill the cooker over one-third full including beans and water.

PERMANENT PRESS CLOTHING Here is good news for homemakers who need to alter permanent press clothing. A special chemical spray has recently been developed to remove permanent press creases so that new ones can be placed where you want them. That altered hem, seam, or cuff will then be just as durable to wear and wash as the original.

Tharpe, Sexton Wedding Performed In Phenix City

Bethany Congregational Church, of Phenix City, Alabama, was the site on Friday evening, September 9, at 7:30 for the wedding of Miss Brenda Kay Sexton and Mr. Jerry Dennis Tharpe.

The Reverend Charles E. Smith performed the ceremony, wedding music was provided by Mrs. Helen Hagen, pianist.

Mr. Tharpe served his son as best man, Charles Carr, cousin of the groom, and Clifford Livingston, both of Columbus, Georgia, and Wayne McVey were usher-groomsmen.

Mrs. Ronnie L. Roney, of Columbus, was matron of honor, and Miss Shirley Diane Goodman was maid of honor. Bridesmaids were Miss Jacqueline Burlington, of Columbus, and Miss Sue Byrd, of Phenix City.

Mr. Sexton gave his daughter in marriage. Following the ceremony the bride's parents entertained with a reception in the social hall of the church.

Following a wedding trip to the Smokey Mountains, the couple will reside in Phenix City.

Out of town relatives of the bride included Mrs. C. J. Free and Mr. and Mrs. H. E. Driggers and sons, all of Elba. Miss Sexton is the granddaughter of Mr. and Mrs. Owen T. Parker, of Basin Community.

Parents of the couple are Mr. and Mrs. Arthur Hudson and Mr. and Mrs. S. B. Parker, of Elba. The bride, given in marriage by her father, wore a gown of pearl lace and a train of white lace with a train of white lace.

Mrs. Vernette Maddox served her sister as matron of honor. Bridesmaids were Mrs. Patricia Woodham.

Shelby Parker, of Albany, Georgia, served his brother as best man. Groomsmen were Wayne Taylor, Larry Carter, and Ronnie Young, of Elba.

A reception was held in the church fellowship hall.

Persons admitted to The Elba General Hospital during the period of September 27 through October 3 were the following:

John D. Folds, Lamar Boswell, Wyolene Clark, Charles Davis, William Rushing, Bob Knight, Larry Grantham, Dimple Davis, James Gallimore, Terry Farris, Paul Jacobs, Clinton Daniels, Michael Farris, Rodney Williams, Michael Williams, Myra Loy Thomas, Diane Barnes, Charlotte McCall, Millie Dyess, Etta Crocker, Dorothy Hall, Patricia Campbell, Earline Tindol, Jo Ann Rachel, Robbie Daniels, Mae Desse, Susie Fuller, Jimmy Hudson, Eldean Stager, Janet King, Joe Johnson, Jack Suley, Margie Simmons, Idalia Carpenter, Audrey Bryant, Willie Ray Crocker.

Persons discharged during the same period of time were the following: John D. Folds, Lamar Boswell, Wyolene Clark, Charles Davis, William Rushing (expired), Bob Knight, Larry Grantham, Dimple Davis, James Gallimore, Paul Jacobs, Michael Farris, Rodney Williams, Michael Williams, Myra Loy Thomas, Diane Barnes, Charlotte McCall, Millie Dyess, Etta Crocker, Dorothy Hall, Patricia Campbell, Earline Tindol, Jo Ann Rachel, Robbie Daniels, Mae Desse, Susie Fuller, Jimmy Hudson, Eldean Stager, Janet King, Joe Johnson, Jack Suley, Margie Simmons, Idalia Carpenter, Audrey Bryant, Willie Ray Crocker.

OCTOBER, 1966

YOUR FEET ARE TRULY IMPORTANT
Few people give any thought to their feet until they begin to be a problem. A recent survey disclosed that you are probably walking many more miles than you think.

HOW MANY MILES DO YOU WALK DAILY?
Dr. Schulz's Walk-Meters recorded the following:

Housewife—8½ miles Sales Clerk—8 miles
Policeman—14 miles Chorus Girl—7 miles
Doctor—2½ miles Waiter—1½ miles
Business Executive—1 mile
Golf—18 holes—8½ miles
School Boy at play—15 miles
Lady Shopper at Christmas—18 miles
No wonder some people have such tired feet.

HOW TO HAVE HAPPIER FEET
Try this for one week. Each night bathe them in lukewarm water with a medicated, antiseptic foot soap to overcome the accumulated perspiration. Then run some cold water over your feet to increase circulation. Dry them and gently rub in a healing foot balm that helps prevent future corns and calluses. The improvement will astonish you. Follow this plan at least one week in every month.

WE HAVE MANY HELPFUL FOOT-AIDS
We can guide your selection of good products. If you have any foot problems, which do not require a podiatrist or medical attention, visit us soon.

Coffee County Included In Wiregrass Development Plans

A wide-ranging program to more fully develop and use the natural and human resources in a six-county area of Alabama's Wiregrass is moving forward. The program, under the leadership of the local people, involves the south-east Alabama counties of Coffee, Covington, Dale, Henry, Houston and Geneva.

According to G. L. Edwards, Wiregrass Planning Area Development Director, the Wiregrass Planning Area closely parallels the principles of a resource conservation and development project. "The concept of local people working together to solve mutual problems holds the key to the success of a program of this nature," he said. "This concept expands

the idea that soil and water conservation is by and for the people and therefore the people are in the best position to recognize their problems and find a solution." Edwards continued, "Sponsors of the resource planning movement in the Wiregrass are the soil conservation districts and boards of county commissioners from each county. In their application for assistance they listed the following problems on which group planning and action is needed: per capita farm income below the state average; erosion of cropland resulting in the creation of more than 1800 caving-type gullies endangering 275,000 acres of good farm land; lack of up-to-date soil surveys in four counties; inadequate rural housing; too few recreation facilities for

swimming, camping, hunting, and fishing; need for irrigation systems on more than 700 truck crop farms; poor quality of low range woodlands; and inadequate disposal facilities. Now, with some of the problems enumerated and with technical assistance from the Soil Conservation Service, the sponsors can begin to develop a plan of action for the area. In developing the plan, the Wiregrass Planning Area is expected to last for as long as a year, with monthly benefits to the people. Mr. Scott said, "Previously a person could only receive disability benefits if he had a mental or physical impairment that was expected to continue for a long and indefinite time, or to result in death."

An applicant must have a total of five years of covered work during the ten-year period before he became disabled, but the five years need not be continuous, Mr. Scott explained. Mr. Scott also pointed out that the law has special work provisions for blind people. He advised all blind persons who have some work under social security to get in touch with their social security office.

Free literature available to anyone who may be interested in the disability provisions include Pamphlet No. 8 and Booklet No. 29. For more information, contact the social security office in the Federal Building, 100 West Troy Street, in Dothan. The office is open Monday through Friday from 8:45 A.M. to 5:00 P.M., and from 8:00 A.M. to 12:00 Noon on Saturdays, except on legal holidays. The telephone number is 794-3161.

The Guide offers convenient means for tourists with physical limitations to plan their trips and visits. Its content is divided into information from the various regions of the United States, the Alabama Division, Alabama, or the Governor's Committee on Employment of the Handicapped. The Guide is available at the Alabama Division of the Department of Public Safety, Montgomery, Alabama.

Mr. Louis King, of the Alabama Peanut Producers Association, chairman of the Festival, said the festival is a "coming home" to the peanut country. A native of Pensacola, Florida, and one-time resident of Florida, Mr. King grew up with peanuts in his blood, and has friends and relatives throughout the peanut belt in both Florida and Alabama. Today, Mrs. McGinnis is recognized as one of the nation's most respected influences on American home-making.

Mrs. McGinnis is well qualified to be a "peanut judge" since she has published in her magazine many recipes featuring peanuts and peanut products. One of the magazine's most popular features is the "peanut page" which is devoted to peanut butter. The 53 recipes range from Peanut Butter and Jelly Soup to Alabama Fruitcake.

Mrs. McGinnis and her husband, Bernard, a food chain executive, presently reside in Merick, Long Island, and have just finished building an early "coming home" to the peanut country.

Prizes in the contest range from \$50 to \$20 awarded in each of six classifications, plus a special \$25 long distance prize, according to Mrs. King. There will also be a \$25 grand prize.

The recipes must feature peanuts or a product of peanuts. No cake mixes may be used. Contestants should send their recipes, either typewritten or neatly handwritten, to Mrs. King at P. O. Box 976, Dothan. These recipes must be postmarked not later than October 14.

Parish noted that contest rules specify the recipes must be submitted and to win the finished product must also be submitted for judging. The finished products should be brought in, in disposable containers, to a location that will be designated later on October 14.

Recipes may be submitted for pies, cakes, candies, cookies, miscellaneous, and in a teen-age division. The chairman noted that no contestant may win more than one \$50 first prize in any annual competition, and that no person can win in any division in which he or she has won first prize in an earlier year's competition.

With the help of the various agencies of USDA, the State Conservation Department and local government and business people, the sponsors feel that these measures can be accomplished. In developing a "Plan," they expect to seek

financial help from a number of sources. Some of the possibilities are: increased cost-sharing funds through the ACP for the application of conservation practices; loans from FHA, Small Business Administration and numerous local sources; funds for the development of additional watersheds under Public Law 566; and assistance with the construction of more state lakes from the State Department of Conservation.

Members of the Steering Committee of the Wiregrass RCD Planning Area representing Coffee County are Commissioner Flounoy Whitman and District Supervisor, Marion Sanders.

...about your Social Security

SOCIAL SECURITY
Mr. Harry N. Scott, social security district manager in Dothan, reminded beneficiaries recently that under changes in the social security law made last year, a person need not be totally disabled in order to receive disability benefits.

"If you have an impairment which prevents you from engaging in substantial work and the condition is expected to last (or has lasted) up to a year, you may be eligible for monthly benefits," Mr. Scott said. Previously a person could only receive disability benefits if he had a mental or physical impairment that was expected to continue for a long and indefinite time, or to result in death.

An applicant must have a total of five years of covered work during the ten-year period before he became disabled, but the five years need not be continuous, Mr. Scott explained. Jack Native To Head Student Brigade

Cadet Major William Franklin Wilkes, son of Mr. and Mrs. M. C. Wilkes of Route One, Jack, Alabama, was appointed Deputy Commander, Counterintelligence Battalion, by Colonel John W. Paddock, Professor of Military Science, at the University of Alabama's Army ROTC Cadet Brigade.

Cadet Wilkes is a member of the Counterintelligence Battalion, a volunteer organization of highly motivated cadets of the Army ROTC. He is a member of Phi Kappa Phi fraternity and Phi Eta Sigma.

Cadet Wilkes is a graduate of Elba High School, Elba, Alabama. Upon graduation he will receive a commission as a second lieutenant in the Army.

Miss Judy Northey, a student at the University of Alabama, spent last weekend in Elba with her parents, Mr. and Mrs. C. L. Northey.

MYF Youths Meet
Monday Night
In Kinston

The sub-district MYF met at the Kinston Methodist Church Monday night, September 26. Miss Pat Stanley gave the devotion on "The Value of a Smile."

A dramatic program was given. Those present were divided into groups, and each group dramatized a Bible story.

During the recreational hour, the hostess church served punch, sandwiches and cookies.

Persons

Mrs. James Fuller, Mr. and Mrs. Dennis Fuller and children, Lake Placid, Florida, Mr. and Mrs. Frank Carnley and children, Mr. and Mrs. Willard Carnley and child, and Mr. and Mrs. Hugh Morris and son, of Shawmut, spent last weekend with their mother, Mrs. Allie Carnley, and other relatives.

Mr. L. M. Goodson was a patient in Mizell Memorial Hospital last week.

Mrs. A. J. Ward had surgery in a Montgomery hospital last week.

Mr. and Mrs. Billy Joe Bailey and daughter, of Americus, Georgia, spent the weekend with Mr. and Mrs. Charles Mallory and Kathy.

Mrs. Odie Henderson was admitted to Mizell Memorial Hospital last Thursday.

Friends are glad to know that M. T. Bowden returned to his home Saturday from the Veteran's Hospital in Montgomery.

Miss Nancy Coon, of Auburn University, spent the weekend with her parents, Mr. and Mrs. Willie Coon.

The Party's aims are broad and sweeping. As a broad and sweeping influence can be expected in certain matters, civil rights issues, brutality charges against police, peace activities, and numerous other areas. Also, the youth of our Nation are being singled out for special attention. The Party's chief hope for rapid growth and approval rests on its efforts to entice restless young men and women into its ranks, and the communists already have good cause to be optimistic.

Their campaign to blanket college and university campuses with communists, speakers -- a program that has been accepted with palliative indifference by many persons -- is a resounding success in the eyes of the Party.

Hall gave special praise to those who worked to get Marxism and the viewpoint of the communists onto the campuses, and he was quick to label the response to these appearances as a protest against legal restrictions which have plagued the Party. "Our concept of speaking to the millions," Hall concluded, "became a reality." About this was also tossed to the W. E. B. DuBois Clubs of America, the communist-spawned Marxist youth organization, for successfully drawing increasing numbers of college youth into the Party. Working hand in hand with the DuBois Clubs on the campuses are organizations such as the Students for a Democratic Society, a militant youth group which receives support from the Communist Party and which in turn supports communist objectives and tactics. Hall has characterized it, along with the DuBois Clubs, as a group which the Communist Party has "going for us."

What does this open, all-out thrust for power and approval mean to patriotic Americans? It means that the revolutionary forces of atheistic communism, which in recent years have been on working quietly and defiantly to destroy our system of free enterprise and democracy. It means that those who choose to downgrade the internal threat of communism are easily understanding the zeal and dedication of hard-core Party leaders.

To my mind, citizens whose forefathers established a government of laws to preserve their freedoms should not be faced with dwindling legal means of protecting that government from an announced attack

Mrs. Lavonia Cobb and Mrs. Myrtle Donaldson, of Florida, visited Mrs. Cassie Samson, Thursday.

J. L. Kimbro was a patient in an Opp hospital during the weekend.

Mrs. Y. W. Bowden was rushed to the Opp hospital Friday night.

Mrs. Allie Baker is spending this week in Dothan with Mr. and Mrs. Charles Baker and family.

Mr. and Mrs. Lester Stephens spent the weekend in Crestview due to the deaths of Mrs. Thelma Stephens Pate and daughter, who were killed in an accident Friday morning.

Mrs. O. C. Brooks, New Brockton, and Mrs. Luther Watley, Graceville, Florida, visited Mrs. J. A. Hall, Wednesday.

Mr. and Mrs. Earl Phillips and family, of Florida, spent the weekend with their parents, Mr. and Mrs. Ocie Phillips.

Mrs. Ocie Phillips was admitted to Mizell Memorial Hospital Sunday night for tests.

Friends are glad to know that M. T. Bowden returned to his home Saturday from the Veteran's Hospital in Montgomery.

Miss Nancy Coon, of Auburn University, spent the weekend with her parents, Mr. and Mrs. Willie Coon.

Beware Of
Communist
Threat To U. S.

A clarion call for resurgent, revolutionary action has been sounded by officials of the Communist Party, U. S. A. This policy switch was highlighted at the Party's 18th National Convention in June in New York City. Clearly a move for mass agitation, the new strategy comes at a time when hard-core communist leaders sense a growing mood of radicalism in America, a time when they feel a bold offensive will meet little resistance.

Gus Hall, general secretary of the Party, speaking with exuberance and confidence to the convention delegates, stated, "The Party has started to grow in membership and influence. We are a factor in the left stream of each of the mass currents in the country." Emphasizing this point, Hall said the Party must be the catalyst, the teacher, and the guide of the "new left." He called on the membership for a "move up to revolutionary level, where you have a longer range goal, where you will now use the objective developments to bring an end to capitalism and its replacement by socialism."

The Party's aims are broad and sweeping. As a broad and sweeping influence can be expected in certain matters, civil rights issues, brutality charges against police, peace activities, and numerous other areas. Also, the youth of our Nation are being singled out for special attention. The Party's chief hope for rapid growth and approval rests on its efforts to entice restless young men and women into its ranks, and the communists already have good cause to be optimistic.

Their campaign to blanket college and university campuses with communists, speakers -- a program that has been accepted with palliative indifference by many persons -- is a resounding success in the eyes of the Party.
